RE: Fed Debt Case # 2013369130

Dear Sir or Madame,

After communicating with VA and the debt collector from your agency, I am here by sending my proof for attendance of the summer classes from Jan. 22, 2013- May 18, 2013 at the University of MN. Please note that the letter from the VA dated March 5, 2013 which indicates that they received a notice from the school that I didn't attend classes is not correct. The school sent wrong information which they corrected later and I am attaching here with for your consideration.

I would like to ask your office to refund me the amount \$324 that you garnished from my tax return.

Thank you in advance for your prompt action and consideration in this matter.

Sincerely,

Amadou Diabate

Dear Mr. Diabate:

We recently sent you a letter explaining that we reduced your benefits on December 21, 2012. We did this because your school sent us a notice that you never attended your training on January 22, 2013-May 18, 2013.

You are responsible for ALL debts resulting from reductions or terminations of your enrollment even if the payment was submitted directly to the school on your behalf.

What You Need to Know About Your Overpayment

You were overpaid for the period beginning January 22, 2013 and ending May 18, 2013. This is a debt you must repay.

Our Debt Management Center will send you detailed information about the amount of the debt, how to repay it, and your rights regarding your debt. If you have questions about your debt, please call our Debt Management Center toll-free at 1-800-827-0648, or write to:
